Ignacio Lo Sasso

Certified Public Accountant specialized in Data Analysis and Automation

About me

As a CPA, I have worked in various areas that allowed me to gain a comprehensive view of business management processes, acquire knowledge over time, and develop professionally. I aim for a role where I can leverage my skills in data and automation to optimize processes, improve information accuracy, and contribute to business growth.

in Ignacio Lo Sasso

🌐 Portfolio

Skills

· **SQL**
· **Power Automate**
· **Advanced Excel**
· **Python**
· **Power Query**
· **Microsoft 365**

Work Experience

2022–Present	**Data Analyst** Consejo Profesional de Ciencias Economicas · CABA, San Nicolas 📍 I have developed solutions for data management and analysis. I designed and executed SQL queries to extract and analyze large volumes of data from multiple databases, ensuring integrity and accuracy in reports. I implemented interactive dashboards in Power BI to visualize key metrics, improving real-time decision-making. I automated repetitive processes using Power Automate, reducing operational times.
2020–2022	**Accounting and Tax Analyst** Consejo Profesional de Ciencias Economicas · CABA, San Nicolas 📍 I performed accounting and tax tasks including: - Tax filings (Sicore, VAT, Income Tax, SIJP) - Balance Sheet and Income Statement Accounts - Payment Issuance - Reconciliation of Accounts Payable - Bank Reconciliations - Corporate Credit Card Reconciliations
2018–2020	**Suppliers** Consejo Profesional de Ciencias Economicas · CABA, San Nicolas 📍 I was responsible for entering all invoices of the organization using SAP, OC controls, cost center allocations, internal order entries, supplier registration, and overall purchasing process.

Education

2016-2022	**Certified Public Accountant** UBA · Faculty of Economic Sciences 🏛
2010-2015	**High School B-P** · Instituto Nuestra Sra. del Carmen 🏛

Courses

- **RPA - Bot Automation**
- **Data Analysis with Power BI**
- **Advanced Excel**
- **PowerApps for Management and Business**
- **SQL for Economists**
- **Working with Power Automate Desktop**
